

Norwegian Water Resources and Energy Directorate

# **NordREG Capacity Calculation project**

Toril Naustvoll Gange/NVE

# ***Purpose: Follow closely TSOs' work on CACM, Capacity Calculation***

*2012:...* Focus on the choice of method – FB or coordinated NTC

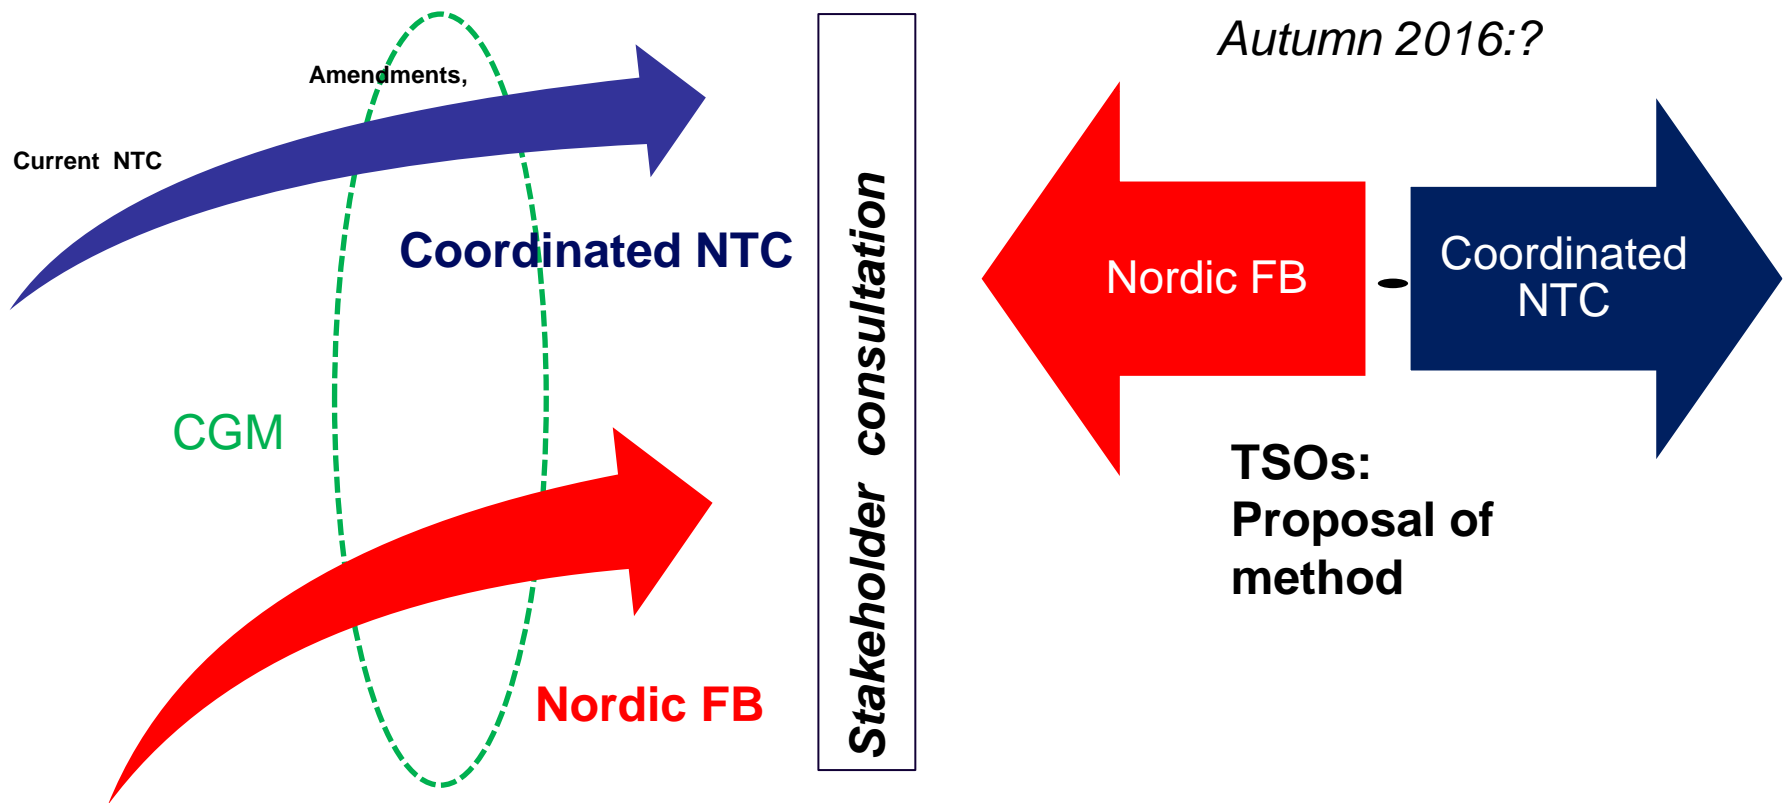

*2014:* Implementation of CACM requirements on Capacity Calculation

# NordREG Capacity Calculation

- What is Nordic FB?
  - *pros and cons?*
- Impacts of Nordic Common Grid Model
- Amendments in current NTC
- ***Deliverables:***
  - Workshops with TSOs
  - Basis for approvals and recommendations, etc.
    - Ensure stakeholder involvement
    - CWE experience

# CACM: Towards choice of method

*Two parallel processes ongoing:*

# Thank you for your attention!
